Juan A. Villamar, MEd
Executive Coordinator, Ce-PIM
Northwestern University

Juan is a Sr. Program Administrator in the Dept. of Psychiatry and Behavioral Sciences at the Northwestern Feinberg School of Medicine. He has served as Executive Coordinator for the Center for Prevention Implementation Methodology (Ce-PIM). In that capacity, he has led with Ce-PIM faculty the formation of partnerships for implementation research with the Substance Abuse and Mental Health Services Administration (SAMHSA) and with community-based organizations in Chicago.

Jen Brown, MPH
Director and Co-Founder, ARCC
Northwestern University

Jen is Director and Co-Founder of the Alliance for Research in Chicagoland Communities (www.ARCConline.net) in Northwestern University's Center for Community Health. Jen is passionate about ARCC's mission to grow equitable research partnerships between Chicago-area communities and Northwestern University to improve health and health equity. Jen has over twenty years of experience building and supporting community-academic engaged research partnerships at project, institutional, and multi-institutional levels.
